

Dear Homeowner,

01/10/2011

In order to better serve you, and continuing the effort to be 'green', we are trying to confirm an active email address from each residence. Please follow the steps below to confirm your particular contact information is correct.

The reason we are asking for your help this way is to ensure everyone is receiving community information. Since email is our primary form of communication, it is key to confirm there is an active email address on file.

Thank you in advance for your participation in this effort; and, please do not hesitate to contact us at edgewoodhoa@gmail.com.

- Edgewood Community HOA

Steps for confirming contact information and email:

1. Please begin by visiting the Edgewood Community website listed below:
<http://www.edgewood-hoa.com>
2. On the left side of the screen, please click on the fifth, main topic: **'REGISTER'**. Red arrow below in screen shot.
3. From this screen you can then input your email address, name, and street address. Below is a screen shot of this page.

Step 2-
Register
